

My name is Allyson Perkins. I teach PE and Algebra 1 here at Freedom Academy. I received my Bachelor of Science Degree in Physical Education - Public School Teaching (K-12) at BYU in December of 2002. Shortly after graduation, I began teaching at Provo Canyon School in Orem. I taught there for two years and enjoyed every minute of it. Somewhere in there, I worked to get my Math Endorsement - Level 2. In August of 2005, I was hired at Freedom Academy. The 2009-2010 school year will be my fifth year teaching here.

My favorite quote is, "Age is foolish and forgetful when it underestimates youth."

Albus Dumbledore
As written by JK Rowling

My favorite authors/books are Harry Potter (of course) and The Count of Monte Cristo. My hobbies include snowboarding, volleyball, soccer, softball, playing catch with anything, climbing, hiking, driving, travelling, floating down the river on a tube, piano, movies, and EATING good food!!

These are my goals for my students this year:

1. Get into the habit of being active three times a week.
2. Learn a little about a lot of different sports/activities.
3. Find something active that you like to do.
