

Hello! My name is Kathryn Bichsel and I currently teach second grade, and have for several years. In addition, I have also taught third, fourth, and ninth grade in public schools. I graduated from BYU with a bachelor's degree and teaching license in Social Science and since then have completed my elementary education teaching endorsement. I am bi-lingual, speaking both English and Spanish.

I am an avid reader! I love books and I love to read! When people ask me for my favorite book, I usually say ALL OF THEM (it would be very difficult to mention just one)! I will say, though, I am very selective about the books I read, which is why I can say I like them all.

Besides books, my hobbies include gardening and hand sewing. I also enjoy being with my family. We have four children, all of whom have attended Freedom Academy, or are still attending. We like to hike and camp (provided I have a camper to sleep in). We also like to travel. One of our favorite "hot spots", no pun intended, is Glenwood Hot Springs just east of Grand Junction, Colorado.
