

My name is Paige Drumm and I am thrilled to be teaching 1<sup>st</sup> grade at Freedom Academy. My husband and I have been married for eight years. We have two daughters whom we adore. Our eldest daughter, Ivy, is five years old and just beginning kindergarten. Our youngest daughter, Eliza, is two years old and wishes she were beginning kindergarten, too. My husband is employed in Law Enforcement and I recently graduated with high honors in Elementary Education.

When not teaching, I enjoy spending time with my husband and daughters. We go on family drives, hikes, picnics, and day trips. Disneyland is at the top of my list for vacation destinations and my favorite ride is Pirates of the Caribbean. I love to spend time crafting and as a result, have an amazing collection of hair bows, barrettes, and headbands. My favorite time of the year is fall and my favorite holiday is Halloween. I love the first day of school, changing leaves, crisp weather, corn mazes, pumpkin patches, and homemade Halloween costumes. I am an avid reader of all genres and have a hobby of collecting picture books. I enjoy date nights to the movies and my favorite treat is anything chocolate!

I love learning and thoroughly enjoy inspiring a love of knowledge in others. I hold a special place in my heart for children and embrace the opportunity to spend time with them on a daily basis. It is important that my students know and believe they are valued, they are loved, and they are special. 1<sup>st</sup> grade is a magical time in a child's life. It is often their first real taste of fostered curiosity. I look forward to fostering curiosity and opening avenues of knowledge in your children's lives.

I am so excited to meet you and your child. We have a wonderful and exciting year ahead of us!
