

FREEDOM ACADEMY SATURDAY SCHOOL BEHAVIORAL EXPECTATIONS

Freedom Academy's Saturday School program has been developed and implemented to provide a pathway for student academic success. All students at Freedom Academy have been given equal opportunities to turn in missing assignments. Students attending Saturday School have made the choice not to turn in their missing homework in the allotted time set forth by the Freedom Academy Handbook.

Therefore, all students attending Saturday School will abide by the following behavioral contract or risk losing this final opportunity to improve sub-standard grades.

- Instructor must have a properly authorized referral form, and a signed copy of this behavioral contract **before** the student will be admitted to Saturday School.
- Students **WILL NOT BE ADMITTED LATE** (the doors will open 10 minutes prior to the start of each session).
- Students must bring, or have in their lockers, pens/pencils to write with, books and supplies as well as a self-selected novel to read. These items are NOT available on site. Failure to bring these items may result in the student's removal from Saturday School.
- Students must bring \$10.00 fee to be paid before admittance to the classroom. Make checks payable to Freedom Academy.
- Parents are responsible for transportation to and from Saturday School.
- If the parents are late picking up their child, the parents will be charged a late fee of \$5.00 for every five minutes or portion thereof after the session ending time.
- Students must complete all assignments and any work deemed necessary by the administration/teacher.
- Students will be given one rest room and water break; no food will be allowed in the classroom with the exception of one water bottle.
- The student must raise his or her hand when attention is needed.
- Students must follow rules and regulations of the school system for dress and behavior; meaning, students will wear SCHOOL UNIFORM.
- The instructor has the right to establish rules and regulations, which will benefit the overall program.

If the student should violate any of these rules, he/she may be sent home. In such cases, the parent/guardian will be contacted to pick up their child as soon as possible. The student will then keep his/her current grade in each class and will not be able to make up missed assignments.

Student Contract

I have read, and I understand the behavior rules and regulations of the Freedom Academy Saturday School Program. I agree to comply with all of these rules and regulations. I also acknowledge the consequences that may result if I do not follow these rules and will accept them as they are enforced.
